

PROFESSIONAL TAP DANCE TRAINING

August 1st to August 21st 2022

with Thomas Marek & Team

This 3-week tap dance training is aimed at ambitious amateurs, professional performers and dance teachers who want to deepen and professionalize their skills and knowledge in tap dancing, jazz and music in general.

Tap dancers from a level of intermediate advanced and up, are invited to participate in this training program. The intensive training teaches comprehensive and professional know-how in tap dancing, with a focus on technique, improvisation, creativity, composition and musicality.

In all 3 weeks we will be working with one or more musicians and develop a deeper understanding of our dancing, movement, rhythm and music. The complete program lasts 3 weeks and includes approx. 120+ hours of instruction, practice, training and coaching.

Wesentliche Unterrichtsinhalte sind / Main aspects :

- Main topics of our training are:
- Improving your tap dance skills & technique
- Enabling choreographic processes and developing artistic ideas in tap
- Finding your own voice and individual expression in your dancing and music
- Improvisation skills in tap dance and jazz music
- Music theory and how to apply it in your tap dancing (form, phrasing, timing, displacements etc)
- Tap dance history
- Working and dancing with a band (The art of improvising and interplay)
- Introduction to stage equipment for tap dance (sound equipment for stage performances)

Lehrer und Team / Teachers & team

The training program is led by Thomas Marek and will be supported by his team of professional musicians & dancers. All musicians have years of experience of working with tap dancers and have a deep understanding of what tap dance has musically to offer.
